

# Future Urban Growth in the Fleurieu Coastal Region

	Current Residential / Commercial / Industrial		Council Boundary
	Planned Residential / Commercial / Industrial		Major Road
	Possible Future Residential Growth		Major Waterway
	Coastal Conservation Cell		

The extent of urban growth (residential, commercial and industrial) in the Fleurieu coastal region is drawn primarily from datasets used in the Greater Adelaide Regional Plan and supplemented by other State government spatial data for land use, zoning, planning and infrastructure.
